Independent Auditors' Report on Review of Condensed Interim Financial Information

The Shareholders Ajman Bank PJSC

Introduction

We have reviewed the accompanying condensed interim statement of financial position of the Ajman Bank PJSC (the "Bank") as at 31 March 2011, and the condensed interim statements of comprehensive income (comprising of a condensed interim statements of comprehensive income and a separate condensed interim statement of income), changes in equity and cash flows for the three month period then ended ("the interim financial information"). Management is responsible for the preparation and presentation of the interim financial information in accordance with IAS 34, 'Interim Financial Reporting'. Our responsibility is to express a conclusion on this interim financial information based on our review. The interim financial information of the Bank as of and for the three month period ended 31 March 2010 and financial statements as of and for the year ended 31 December 2010, were reviewed and audited by another auditor whose reports dated 10 May 2010 and 8 March 2011 respectively, expressed unqualified conclusion and opinion on interim financial information and financial statements respectively.

Scope of review

We conducted our review in accordance with the International Standard on Review Engagements 2410 "Review of Interim Financial Information Performed by the Independent Auditor of the Entity". A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the accompanying interim financial information as at 31 March 2011 is not prepared, in all material respects, in accordance with IAS 34, 'Interim Financial Reporting'.

Notes to the condensed interim financial statements – (Un-audited) For the three month period ended 31 March 2011

1. Legal status and activities

Ajman Bank PJSC ("the Bank") is incorporated as a Public Joint Stock Company. The Bank has its registered office at A&F Towers, Ist Floor, Khalifa Street, P.O. Box 7770, Ajman, United Arab Emirates ("UAE") and was legally incorporated on 17 April 2008. The Bank was registered with the Securities and Commodities Authority ("SCA") on 12 June 2008 and obtained a license from the Central Bank of UAE to operate as a Head Office on 14 June 2008. On 1 December 2008, the Bank obtained a branch banking license from UAE Central Bank and commenced operations on 22 December 2008.

The principal activities of the Bank are undertaking banking, financing and investing activities through various Islamic instruments such as Murabaha, Wakala, Sukuk and Ijarah. The activities of the Bank are conducted in accordance with the Islamic Sharia'a principles and within the provisions of its Memorandum and Articles of Association.

2. Statement of compliance

The condensed interim financial statements have been prepared in accordance with International Financial Reporting Standards ("IFRS"), IAS 34: *Interim Financial Reporting*. These condensed financial statements do not include all the information required for full annual audited financial statements and should be read in conjunction with the audited financial statements of the Bank as at and for the year ended 31 December 2010, which have been prepared in accordance with International Financial Reporting Standards (IFRSs).

These financial statements have been prepared in United Arab Emirates Dirham (AED) rounded to nearest thousand, which is the Bank's functional currency.

3. Significant accounting policies

The Bank has consistently applied the accounting policies and methods of computation used for the preparation of last audited annual financial statements for the year ended 31 December 2010. However, the Bank has adopted IAS 24 'Related Party Disclosures' in the preparation of these condensed interim financial statements. This new and revised IAS which became applicable for the annual periods beginning on or after 1 January 2011, amends the definition of a related party and modifies certain related party disclosure requirements for government-related entity. It also affects the presentation and disclosure of these condensed interim financial statements; however, do not affect the Bank's Statement of financial position, Statement of income or Statement of changes in equity. The management has assessed the impact of this new standard and believes that changes have no significant affect on the Bank's financial statement.

3.2 Financial risk management

The Bank's financial risk management objectives, policies and procedures are consistent with those disclosed in the annual audited financial statements as at and for the year ended 31 December 2010.

3.3 Financial assets and liabilities

The accounting policies, classifications and measurement principles for financial assets and liabilities applied by the Bank in these condensed interim financial statements are the same as those applied by the Bank in its annual audited financial statements as at and for the year ended 31 December 2010.

Notes (continued)

4. Key accounting estimates and judgments

The preparation of the condensed interim financial statements requires management to make estimates and assumptions that affect the application of accounting policies and reported amounts of assets, liabilities, income and expenses. Such estimates are necessarily based on assumptions about several factors involving varying degrees of judgment and uncertainty, and actual results may therefore differ resulting in future changes in these estimates.

In preparing these condensed interim financial statements, the significant judgements made by management in applying the Bank's accounting policies and the key sources of estimation and uncertainty were the same as those applied to the annual audited financial statements as at and for the year ended 31 December 2010.

5. Interim measurement

The nature of the Bank's business is such that income and expense are incurred in a manner, which is not impacted by any form of seasonality. These condensed interim financial statements were prepared based upon an accrual concept, which requires income and expense to be recorded as earned or incurred and not as received or paid throughout the year.

9. Investment property

In 2010 the Bank was donated a plot of land in Ajman from a member of the ruling family of Ajman, who is also a director of the Bank. The fair value of the plot of land apprised by an independent valuer in December 2010, amounted to AED 49.9 million.

The management believes that the fair value as on 31 March 2011 is not materially different from 31 December 2010.

17. Earnings per share

The calculation of earnings per share for the three month period ended 31 March 2011 is based on loss of AED 8,407 thousand (31 March 2010: AED 13,926 thousand) divided by the weighted average number of shares of 1,000,000 thousand (31 March 2010: 1,000,000 thousand shares) outstanding during the period.

18. Related parties

Related parties comprise shareholders, directors and key management personnel, as well as businesses controlled by shareholders, directors and key management personnel and businesses over which they exercise significant influence. Related party transactions, in the normal course of business, are executed at the terms agreed between the parties, which in opinion of the management are not significantly different from those that could have been obtained from third parties.

Ajman Bank's 25% shares are owned by Government of Ajman, which is one of the major shareholders of the Bank.

The volume of related party transactions, outstanding balances at 31 March 2011, and related expenses and income for the three months period ended are as follows:

Balances

Balances with related parties at the reporting date are shown below:

Notes (continued)

18. Related parties (continued)

Transactions (continued)

The Government related entities are independently run business entities, and all financial dealings with the Bank are on an arms-length basis.

The Bank has also entered into transactions with certain other related parties who are non government related entities. Such transactions were also made on substantially the same terms, including profit rates and collateral, as those prevailing at the same time for comparable transactions with third parties and do not involve more than a normal amount of risk.

Compensation of directors and management personnel

Key management compensation is as shown below:

	(Un-audited) Three month period ended 31 Mar 2011 AED'000	(Un-audited) Three month period ended 31 Mar 2010 AED'000
Short term employment benefits Terminal benefits	4,349 128	3,977 117
	4,477	4,094
Directors' remuneration	115	23

19. Contingencies and commitments

Capital commitments

At 31 March 2011, the Bank had outstanding capital commitments of AED 988 thousand (31 December 2010: AED 3.8 million), which will be funded within the next one year.

Credit-related commitments and contingencies

Credit-related commitments include commitments to extend credit which are designed to meet the requirements of the Bank's customers.

At 31 March 2011, the Bank had the following credit related commitments and contingent liabilities:

	(Un-audited) 31 Mar 2011 AED'000	(Audited) 31 Dec 2010 AED'000
